

WoodTech 2025: The Global Hub for the Woodworking Machinery Industry

WoodTech 2025, the largest international trade platform for woodworking machinery and technologies in Eurasia, will open its doors for the 38th time from **October 11–15, 2025**, at **Tüyap Fair and Congress Center in Istanbul**. Organized by **RX Tüyap** in collaboration with the **Turkish Woodworking Machinery Industrialist Association (AIMSAD)** and supported by the **European Federation of Woodworking Machinery Manufacturers (EUMABOIS)**, the fair will once again bring together leading manufacturers, distributors, investors, and professionals from across the globe.

Turkish Woodworking Industry Shows Strong Growth

In 2024, the Turkish woodworking machinery industry demonstrated remarkable growth, achieving **\$150 million in exports**. The sector's total production reached **\$370 million**, while **domestic sales hit \$322 million**. The export-to-import coverage ratio rose to **148%**, solidifying the industry's competitiveness both locally and internationally.

WoodTech 2025 aims to build on this momentum, offering companies an exceptional opportunity to **enter new markets** and expand their global reach.

What to Expect at WoodTech 2025?

This year's exhibition will once again showcase a comprehensive range of products across the woodworking and furniture production value chain:

- ✓ Machinery and equipment for forestry, logging, and timber products
- ✓ Woodworking machinery and equipment
- ✓ Surface treatment machines, equipment, and chemical products
- ✓ Packaging and wrapping machines, auxiliary equipment, conveyors, transport & storage systems
- ✓ Cutting tools, holding tools and other equipment
- ✓ Drying ovens and energy boilers, dust collection and ventilation systems
- ✓ Industrial and sector-specific software solutions

WoodTech 2025 will attract a wide spectrum of visitors, including **furniture, door, window, parquet, and kitchen manufacturers**, as well as **professionals from the forestry and construction industries**. The fair is a must-attend event for anyone looking to **explore innovative technologies**, stay ahead of market trends, and **build strategic business connections**.

A Global Meeting Point for Trade

In 2024, WoodTech hosted **22,639 industry professionals from 89 countries**, confirming its status as an essential platform for **international business development**.

The 2025 edition will place a strong emphasis on **innovation and sustainability**, with **leading global brands** showcasing their latest technologies, conducting **live demonstrations**, and forming **new business alliances**.

Seize the opportunity to grow your business, make new investments, and stay ahead of the competition at WoodTech 2025!
